

Connie Giudice

PROFESSIONAL PROFILE

Highly adaptable and versatile Dental Assistant with extensive experience across general dentistry, endodontics, and specialty procedures. Recognized for exceptional performance in high-volume, fast-paced, and high-pressure clinical environments. Connie brings a rare combination of clinical precision, operational flexibility, and patient-centered care.

Fluent in both English and Spanish, with a specialized ability to translate and communicate complex dental procedures to Spanish-speaking patients, enhancing understanding, comfort, and treatment acceptance.

Currently seeking travel-based and temporary dental assisting opportunities, offering immediate impact, seamless integration, and a strong work ethic in any clinical setting.
